- 14-Aug-2024 On May 31, 2024, the Court of Appeals issued a memorandum decision in this matter. On July 1, 2024, this Court received a filing from Appellant titled "Petition for Review" containing none of the information required by Arizona Rule of Civil Appellate Procedure 23(d) and merely stating that "an amendment to this petition for review is forthcoming." This Court notified Appellant on July 3, 2024, that a motion for an extension of time or a petition for review was due on or before August 1, 2024, and that failure to file a motion or petition by that date, could result in dismissal of this matter. Appellant not having filed either a motion for extension of time or a petition, IT IS ORDERED dismissing this matter. (Tracie K. Lindeman, Clerk)
