2. 19-May-2026 The Court of Appeals entered an order declining special action jurisdiction on May 16, 2025, and denied the motion for reconsideration on June 17, 2025. On May 12, 2026, Petitioner Beatty, pro se, filed a "Special Request for Review."

"A party may petition the Supreme Court to review a special action decision of the Court of Appeals, including a decision that declines jurisdiction or grants or denies relief." Ariz. R.P. Spec. Act. 20(a). However, "[a] party may file a petition for review in the Supreme Court no later than 30 days after the Court of Appeals has filed its decision or 15 days after the Court of Appeals clerk has distributed a notice of decision on a motion for reconsideration, whichever is later." Ariz. R.P. Spec. Act. 20(d). Therefore,

IT IS ORDERED dismissing the petition for review as untimely.
